Booking process

To request a booking you will need to provide us with:

- your full name
- your home address
- your email
- your mobile phone number
- the number of adults/children/dogs staying with you.

We will then send you a payment request according to the payment terms outlined below.
Payment can then be made by credit/debit card, bank transfer or PayPal.
After your payment is accepted we will confirm your booking.

Payment terms

If booking less than one month in advance then **full payment** is required at the time of your booking.

If booking more than one month in advance a **25% deposit** is required, the remaining balance is then due 30 days before your check-in date. Note, we reserve the right to treat a failure to pay the balance when due as a “cancellation by you” as explained below.

Cancellation by you

If you need to cancel or change your dates, please let us know as soon as possible via email or instant message.

Our refund policy is as follows:

- If you cancel more than 30 days in advance we’ll refund you your payment in full less a **£25** administration charge.
- If you cancel 7-30 days before we’ll refund you **50%** of your payment.
- If you cancel 1-7 days before we’ll refund you **25%** of your payment.
- If you cancel on or after your arrival day, no refund will be given.

Note that the amount not refunded is retained by us to cover our costs processing the cancellation, bank processing fees, re-advertisement costs and lost profits as we may not be able to re-let the property.

Alternatively at our discretion and if you agree, we may allow you to change dates and use your payment as a credit towards the new dates.

Cancellation by us

If we are forced to cancel your booking due to something that is our responsibility we will either refund you in full (or offer a pro-rata refund if your stay is part complete). We'll also help you find alternative accommodation in the area.

In the event of a serious breach of house rules by any member of your group, or extreme damage, or illegal activity, or any behaviour causing serious disturbance to neighbours, we may terminate your stay without any refund.
